Welcome to the 2011-2012 season with KIDS! We are happy to report that the organization is moving forward with keeping the mission of the organization alive, which is, **to improve the quality of life for children and young adults with disabilities through its sports and social programs.**

Registration: Registration in advance of participation in any KIDS program is mandatory for all members. The season runs from September to August. Returning members must register in person on/at designated dates and locations. A registration form must be completed for **each** participant as indicated on the form. **Registrations will not be accepted without payment.** All information is kept confidential. If you have any questions, please contact KIDS at 1-866-712-7799, extension 2.

Communications: Our members are notified via voicemail and email of program start dates, locations, times and cancellations. You will need to provide us with an email address and phone number in order to receive these announcements. If your email address, phone number or home address changes during the course of the year and KIDS isn't notified of these changes **YOU WILL STOP RECEIVING ANNOUNCEMENTS.** Please notify KIDS as soon as possible of any changes by sending an email to INFO@KIDSINC.US, by calling 1-866-712-7799 ext. 2, or by completing a new registration form with the updated information and mailing it to the address above.

Medical Information: It is the responsibility of the parents and guardians to determine if any programs, events or activities would be harmful to the participant's physical, mental, or emotional well-being and, if so, to avoid such activities, as KIDS is not responsible regarding such matters.

Registration Fee: The registration fee is \$25.00 per person per year. The fee does not entitle family members without special needs to participate in any programs, events or activities except if doing so as a registered volunteer. Families are always welcome to participate in all social events. Please refer to our "Sibling/Family Participation Policy" available on our website.

Volunteers: The programs, events and activities offered by KIDS are entirely dependent upon volunteers and cannot take place without them. We ask that you and your family members volunteer so that we can keep the programs, events and activities running. Volunteers over the age of 18 must complete a CORI form and the Waiver of Liability section in the registration package before participating in any KIDS sports programs, events or activities. Non-family members wishing to volunteer must complete a volunteer application, which may be obtained by calling KIDS at 1-866-712-7799 extension 4, or visiting our website noted above.

Thank you for your continued cooperation. We are looking forward to a productive and successful upcoming season.

Sincerely,
KIDS Inc.
